

# Ability Test Report

This Ability Test Report provides the scores from Mr [REDACTED] Verify Ability Tests. If these tests were unsupervised, there is a small possibility that these scores do not represent his actual level of ability.

## Overview

## Details

Level: Managerial/Professional

Language: English - International

Percentile compared to the General Population 2006 comparison group

Mr [REDACTED] estimated inductive reasoning ability is well above average when compared to the comparison group. His result is better than 99% of the people in this group. This suggests that he will display an exceptional level of ability in understanding incomplete information and solving novel problems by creating solutions from first principles.

Level: Managerial/Professional

Language: English - International

Percentile compared to the General Population 2006 comparison group

Mr [REDACTED] estimated numerical critical reasoning ability is well above average when compared to the comparison group. His result is better than 99% of the people in this group. This suggests that he will display an exceptional level of ability in understanding or interpreting numerical data and mathematical calculations as compared to the group.
